WHAT IS FK CENTRS?

FK Centrs is a football team made by young, likeminded people aiming to promote and popularize the game in the neighbourhood of Centre. The team is still in the early stages of development and is looking forward to what the future has to offer us.

GOALS AND IDEAS

- Encourage the people of our neighborhood and friends to participate in sports activities.
- Strengthen the development of football in Latvia.
- Have a fun and free environment for our peers to grow not only as athletes but also as personalities.
- Make something that we can call our own.

WHAT ARE OUR PLANS FOR THE FUTURE?

- Develop a permanent and consistent fan base!
- Involve even more people into the development of our club!
- Attract sponsors!
- Participate in bigger and more competitive competitions!

THANK YOU
